L Large figures show where trains meet. Trains run each-way every day. Trains will not leave any station before the time fixed in time table. Wood construction and extra trains will keep TEN minutes out of the way of time table train.

Train going from Rolla to Franklin will have the right of road in preference to train going from Franklin to Rolla, subject to the following rules: Train going from Franklin to Rolla will wait for train going from Rolla to Franklin two hours after its own regular time as by table until such delayed train is passed.

Train going from Rolla to Franklin if detained ONE HOUR AND FIFTY MINUTES after the regular time, as by table of train going from Franklin to Rolla, will have lost the right of road and shall keep out before the time of arrival of such train proceeding as above.

All the general rules of Main Line (except where those that relate to the right to road differ,) will apply to the South-West Branch.

The clock in Freight Office at St. Louis being the standard time, the Conductors on S. W. Branch must regulate their watches by those of the Conductor of Mail West, each day.
